2.1 Included accessories

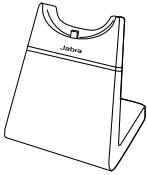
Jabra Link 370

USB charging cable

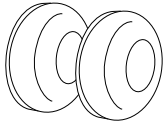


Charging stand
(not supplied in all variants)

Pouch

Replacement accessories are available online at jabra.com/accessories.

2.2 Optional accessories

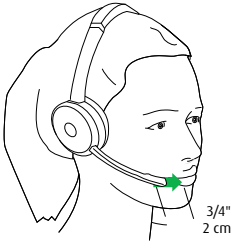


Ear cushions

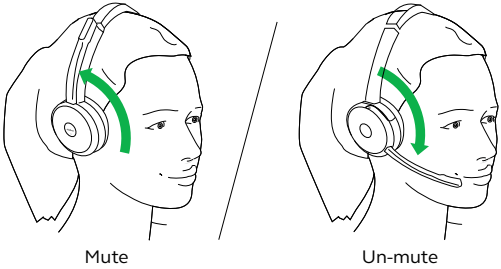
Replacement ear cushions are available online at jabra.com/accessories.

3. How to wear

Position the microphone close to your mouth (2 cm or 3/4 inch). The microphone is bendable for personal preference.



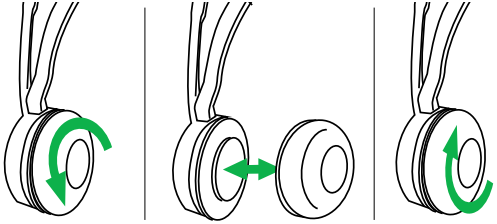
Rotate the microphone up to mute, or down to un-mute.



When the microphone is not needed, rotate it upwards and magnetically attach to the headband.

3.1 Replacing the ear cushions

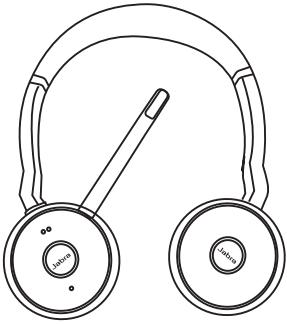
Rotate the ear cushions counter-clockwise and gently pry them off to completely remove them from the headset. To attach the new ear cushions, place them in the same position and rotate clockwise to lock them in place.



Do not use or wear the headset when the ear cushions are not attached. Replacement ear cushions can be purchased via jabra.com/accessories.

3.2 Fold-flat storage

The earcups can be folded-flat for easy storage.

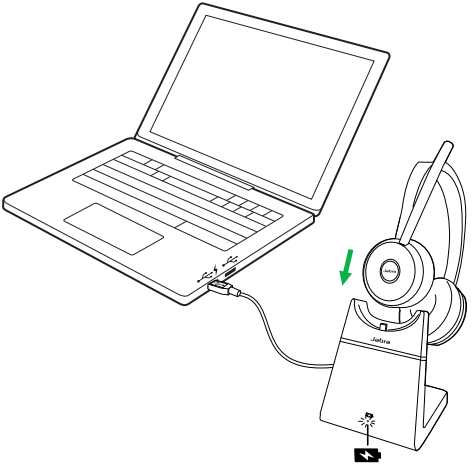


4. How to charge

4.1 Using the charging stand

Plug the charging stand into a powered USB port on your PC, docking station, or wall charger, and then dock the headset.

It takes approx. 3 hours to fully charge the headset.

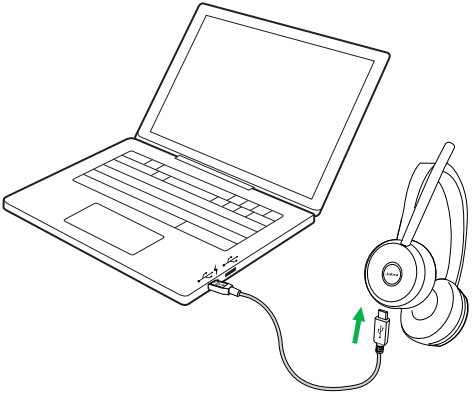


When the PC is turned off, the headset will continue to charge only when the charging stand is plugged into a powered USB port.

4.2 Using the USB charging cable

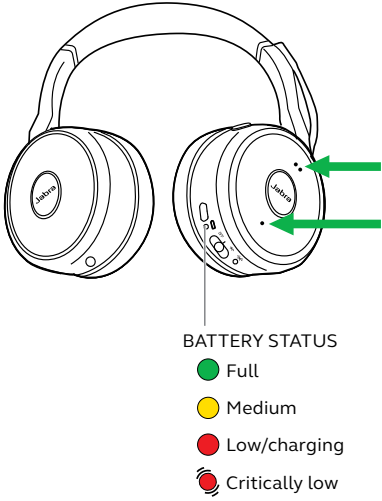
Plug the supplied USB charging cable into a USB port on your PC, docking station, or wall charger.

It takes approx. 3 hours to fully charge the headset.



4.3 Battery status

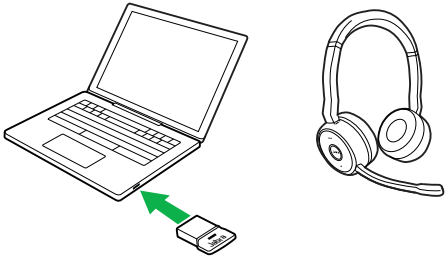
To hear the current headset battery status, wear the headset and press the **Volume up** or **Volume down** button when not on a call or listening to music.



5. How to connect

5.1 PC

Plug the supplied Jabra Link 370 into a USB port on your PC. The Jabra Evolve 75 and the Jabra Link 370 are pre-paired and ready for use out of the box. The Bluetooth range is up to 30 meters or 100 feet.

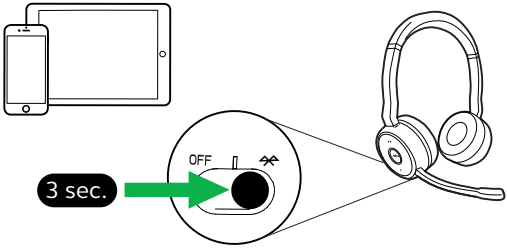


To hear music in the headset you may need to select the Jabra Link 370 as the playback device in your operating system's audio settings.

To manually pair the Jabra Evolve 75 with the Jabra Link 370, download and use Jabra Direct or Jabra Suite for Mac.

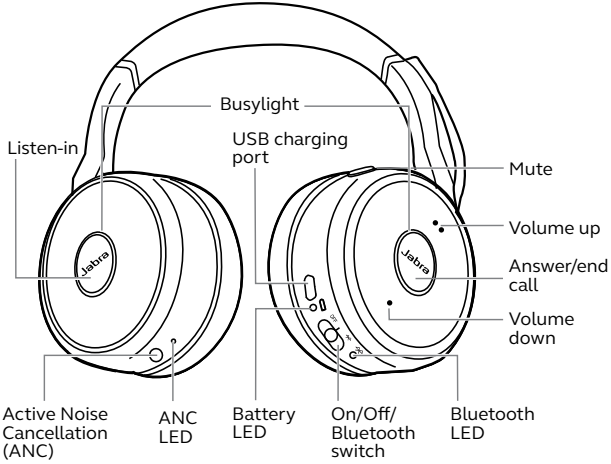
5.2 Smartphone

Slide and hold the **On/Off/Bluetooth** switch in the **Bluetooth** position for 3 seconds and follow the voice-guided instructions to begin pairing the headset to your smartphone.



The Bluetooth range is up to 10 meters or 30 feet (limited by your smartphone's Bluetooth connectivity).

6. How to use



6.1 What the buttons do

RIGHT EARCUP		
	Turn headset on/off	Slide the **On/Off/ Bluetooth** switch to **On** or **Off**

	Answer call	Press the **Answer/End call** button
	End call	Press the **Answer/End call** button
	Reject call	Double-tap the **Answer/End call** button
	Volume up/down	Press the **Volume up** or **Volume down** button
	Battery status	Press the **Volume up** or **Volume down** button, when not on a call or listening to music
	Mute/ un-mute microphone	Press the **Mute** button, or rotate the microphone up/down
	Turn voice guidance on/off	Hold (5 secs) the **Mute** button
	Siri/Cortana/ Google Now	Press the **Mute** button, when not on a call or listening to music
	Pair Bluetooth device	Slide and hold (3 secs) the **On/Off/ Bluetooth** switch in the **Bluetooth** position

LEFT EARCUP		
	Listen-in on/off	Press the **Listen-in** button
	ANC on/off	Press the **ANC** button

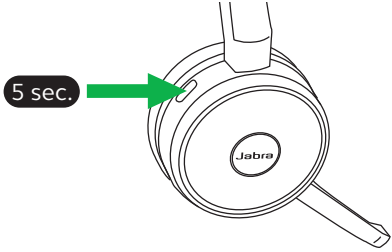
6.2 Multiple call handling

The headset can accept and handle multiple calls at the same time.

RIGHT EARCUP		
	Put current call on hold, and answer incoming call	Press the **Answer/ End call** button
	Switch between held call and active call	Press the **Answer/ End call** button
	Reject incoming call, and continue current call	Double-tap **Answer/End call** button

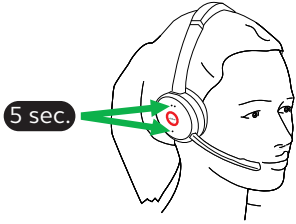
6.3 Voice guidance

The voice guidance can be switched on/off by holding the **Mute** button for 5 seconds, or by using Jabra Direct software on your PC (jabra.com/direct).



6.4 Busylights

The Busylights on the headset automatically light up red when you are on a call to indicate to colleagues that you are busy. To manually switch the Busylights on/off, press the **Volume up** and **Volume down** buttons simultaneously.

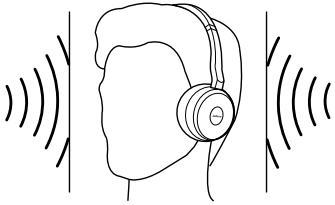


To de-activate the Busylight function entirely, hold the **Volume up** and **Volume down** buttons simultaneously for 5 seconds. De-activating the Busylight function will prevent the use of the busylights.

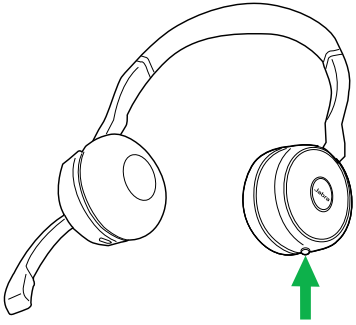
To re-activate the Busylight function, hold the **Volume up** and **Volume down** buttons simultaneously for 5 seconds.

6.5 Active Noice Cancellation (ANC)

Active Noise Cancellation (ANC) reduces outside disturbance to a minimum, allowing you to fully focus on your work or call.



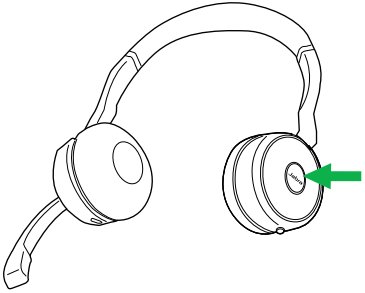
Press the **ANC** button to switch Active Noise Cancellation on/off.



6.6 Listen-in

Listen-in enables you to hear your surroundings without having to take off the headset. Your music and calls will be muted (but not paused) when Listen-in is on..

Press the **Listen-in** button to switch Listen-in on/off.

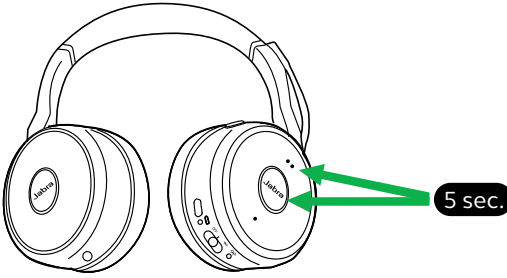


6.7 Factory reset

Resetting the Jabra Evolve 75 clears the list of paired Bluetooth devices and all personalized settings.

To perform a factory reset, hold the **Answer/ End call** button and the **Volume up** button at the same time for 5 seconds.

After the headset has been reset, you will need to re-pair it to the Jabra Link 370, or to your smartphone.



7. Software

7.1 Jabra Direct

Jabra Direct is PC software designed to support, manage and enable optimal functionality for Jabra devices.

Download via jabra.com/direct

7.2 Suite for Mac

Suite for Mac is software designed to support, manage and enable optimal functionality for Jabra devices on Apple computers.

Download via jabra.com/supportpages/jabra-suite-for-mac

7.3 Firmware update

Firmware updates improve performance, or add new functionality to Jabra devices.

1. Connect the Jabra Evolve 75 to a PC using the USB cable, charging stand, or Jabra Link 370.
2. Install Jabra Direct on your PC, or Suite for Mac on your Mac.
3. Use Jabra Direct or Suite for Mac to check for the latest firmware updates.

8. SUPPORT
