## Keep your hands on the wheel & your eyes on the road

The BlueAnt Supertooth 3 handsfree speakerphone provides a safer, legal alternative to talking on your phone while you drive. Voice prompts provide assistance to help you connect the device with your phone and upload your address book. The Supertooth 3 announces the name or ID of the caller when the phone rings - just say 'OK' to accept the call. Install the Supertooth 3 in seconds for a totally handsfree experience.
