## Quick start guide

### Charge your headset

Charge your Jabra BT2010 until the solid LED turns off (approximately 2 hours)

### Turning your headset On and Off

Press the answer/end button until you see a burst of flashes on the indicator light (LED) to turn your headset on or off.

### Pairing the headset with your phone

- When you turn on your Jabra for the first time, the headset will automatically start up in pairing mode.
- Activate Bluetooth on the phone
- Press 'Yes' on the phone and confirm with PIN code 0000 (4 zeros)
- Your phone will confirm when the pairing is complete

### Using your headset

Tap the answer/end button on your headset to answer a call. To end your call, just tap the answer/end button again.

### Wear it how you like it

The Jabra BT2010 can be worn with or without earhook. To remove the earhook, simply click it off.

For optimal performance, wear the Jabra BT2010 and your mobile phone on the same side of your body or within line of sight.
