DESCRIPTION OF SAFETY

For your protection and comfort, GN Netcom A/S ("GN") has implemented several protective measures in this headset which are carefully designed to maintain safe volume levels and ensure that the headset operates in compliance with government safety standards.

This headset is suitable for indoor use only.

WARNING!

Permanent hearing loss may result from long-term exposure to sounds at loud volumes. Use as low a volume as possible.

Headsets are capable of delivering sounds at loud volumes and high pitched tones. Under certain circumstances, exposure to such sounds can result in permanent hearing loss or damage. The volume level may vary based on conditions such as the phone you are using, its reception and volume settings, and the environment. Avoid prolonged use of the headset at excessive sound pressure levels. Please read the safety guidelines below prior to using this headset.

YOU CAN REDUCE THE RISK OF HEARING DAMAGE BY FOLLOWING THESE SAFETY GUIDELINES

1. Prior to using this headset follow these steps:

- Before putting on the headset, turn the volume control to its lowest level,
- Put the headset on, and then
- Slowly adjust the volume control to a comfortable level.

2. During use of this headset

- Keep the volume at the lowest level possible and avoid using the headset in noisy environments where you may be inclined to turn up the volume;
- If increased volume is necessary, adjust the volume control slowly;
- Ringing in the ears may indicate that the sound levels are too high;
- If you experience any discomfort or ringing in your ears, immediately discontinue using the headset and consult a physician;

and

- Stop using the headset if it causes great discomfort.

With continued use at a high volume, your ears may become accustomed to the sound level, which may result in permanent damage to your hearing without any noticeable discomfort. Use caution while using your headset when you are engaging in any activity that requires your full attention. While engaging in any such activity, removing the headset from your ear or turning off your headset will keep you from being distracted, so as to avoid accident or injury.

SAFETY INFORMATION

- Unplug the headset during lightning, storms, or when unused for long periods of time.
- Use of a headset will impair your ability to hear other sounds. Use caution while using your headset when you are engaging in any activity that requires your full attention.
- Keep out of reach from children. This package contains small parts that may be hazardous to children. The bags themselves, or the many small parts they contain, may cause choking if ingested.
- Never try to dismantle the headset yourself, or push objects of any kind into the headset, as this may cause short circuits which could result in a fire or electric shock.
- None of the components can be replaced or repaired by users. Only authorized dealers or service centers may open the headset. If any parts of your headset require replacement for any reason, including normal wear and tear or breakage, contact your local dealer.
- Avoid exposing the headset to moisture, rain, or other liquids to protect against damage of the headset or injury to you.
- Protect the cord from being walked on or pinched, particularly at plugs and the point where it exits from the headset.
- Do not use in areas where there are explosive hazards.
- The product may hold small objects in the area of the earpiece.
- Do not use in areas where there are explosive hazards.
- Dispose of the headset according to local standards and regulations.

MAINTENANCE

- Unplug the headset before cleaning.
- Clean the headset by wiping it with a dry or slightly damp cloth as required. The cord may be dry-dusted as required.
- Avoid getting moisture or other liquids into any button sockets

or other openings.

- Do not immerse the headset or cord in water.

For full user manual and maintenance in your local language, please go to your local Jabra® website and search for your product in the menu system.

If repair or replacement is not commercially practicable or cannot be timely made, GN Netcom A/S may choose to refund to you the purchase price paid for the affected product. Repair or replacement under the terms of this warranty does not give right to any extension or a new beginning of the period of warranty.

Claims under the Warranty

To obtain Warranty Service, please contact the GN Netcom A/S dealer from which you purchased this product or visit www.jabra.com for further information about customer support. You will need to return this Product to the dealer or ship it to the dealer or to GN Netcom A/S (if so indicated on www.jabra.com) in either its original packaging or packaging affording an equal degree of protection. You will bear the cost of shipping the product to GN Netcom A/S. If the Product is covered by the warranty, GN Netcom A/S will bear the cost of shipping product back to you after the completion of service under this warranty. Return shipping will be charged to you for products not covered by the warranty or

requiring no warranty repair.

The Following information must be presented to obtain Warranty Service: (a) the product, and (b) proof of purchase, which clearly indicates the name and address of the seller, the date of purchase and the product type, which is evidence that this product is within the Warranty Period. Please further include (c) your return address. (d) daytime telephone number, and (e) reason for return. As part of GN Netcom A/S/Jabra's efforts to reduce environmental waste you understand that the product may consist of reconditioned equipment that contains used components, some of which have been reworked. The used components all live up to GN Netcom A/S/Jabra's high quality standards and comply with the GN Netcom A/S product performance and reliability specifications. You understand that replaced parts or components will become the property of GN Netcom A/S.

Limitation of Warranty

This warranty is only valid for the original purchaser and will automatically terminate prior to expiration if this product is sold or otherwise transferred to another party. The warranty provided by GN Netcom A/S in this statement applies only to products purchased for use, and not for resale. It does not apply to open box purchases, which are sold "as is" and without any warranty. Specifically exempt from warranty are limited-life consumable components subject to normal wear and tear, such as microphone windscreens, ear cushions, modular plugs, ear tips, decorative finishes, batteries, and other accessories. This warranty is invalid if the factory-applied serial number, date code label, or product label has been altered or removed from this product. This Warranty does not cover cosmetic damage or damage due to misuse, abuse, negligence, Acts of Nature, accident, disassembling or modification of, or to any part of, the product. This Warranty does not cover damage due to improper operation, maintenance or installation, or attempted repair by anyone other than GN Netcom A/S or a GN Netcom A/S dealer which is authorized to do GN Netcom A/S warranty work. Any unauthorized repairs will void this warranty. REPAIRS OR REPLACEMENTS AS PROVIDED UNDER THIS WARRANTY ARE THE EXCLUSIVE REMEDY OF THE CONSUMER. GN Netcom A/S SHALL NOT BE LIABLE FOR ANY INCIDENTAL OR CONSEQUENTIAL DAMAGES FOR BREACH OF ANY EXPRESS OR IMPLIED WARRANTY ON THIS PRODUCT. EXCEPT TO THE EXTENT PROHIBITED BY LAW, THIS WARRANTY IS EXCLUSIVE AND IN

LIEU OF ALL OTHER EXPRESS AND IMPLIED WARRANTIES WHATSOEVER, INCLUDING BUT NOT LIMITED TO THE WARRANTY OF MERCHANTABILITY AND FITNESS FOR A PRACTICAL PURPOSE.

NOTE! This warranty gives you specific legal rights. You may have other rights which vary from location to location. Some jurisdictions do not allow the exclusion or limitation of incidental or consequential damages or implied warranties, so the above exclusions may not apply to you. This warranty does not affect your legal (statutory) rights under your applicable national or local laws.

USA / CANADA WARRANTY **Limited One (1) Year Warranty**

GN Netcom, Inc. ("GN") warrants to the end-user purchasing the products from a distributor or reseller, that the products shall be free from defects in materials and workmanship subject to the terms set forth below ("Warranty") for a period of one (1) year from the date of such purchase ("Warranty Period"). If the products are sold or otherwise transferred to another party, the Warranty will automatically terminate prior to expiration. During the Warranty Period, GN will repair or replace (at GN's sole discretion) the products or any defective parts ("Warranty Service"), provided the products are returned to GN. The Warranty sets forth the extent and limit of GN's obligation towards the end-user of the products except as modified by applicable Law.

How to Obtain Warranty Service

For customer service and technical support, please go to www.jabra.com.

To obtain Warranty Service, please contact the GN dealer from which you purchased the products.

You must return the products in their original packaging, if possible, or packaging affording an equal degree of protection. During the Warranty Period, you will bear the cost of shipping the products to GN. If the product is covered by this Warranty, GN will bear the cost of shipping the product back to you after service has been completed. Return shipping will be charged to you for products not covered by the Warranty or requiring no warranty repair. Damage occurred during shipment is deemed the responsibility of the carrier, and any claim should be made directly to said carrier.

The following information must be presented to obtain Warranty Service:

- 1. The defective products**
- 2. Your name, company name if applicable, address, and telephone number.**
- 3. A description of the problem.**
- 4. Proof of purchase which clearly indicates the name and address of the distributor or reseller, date of purchase, product type and model number. Without proof of purchase, your Warranty Period will commence on the date labeled on the headset.**

As part of GN's efforts to reduce environmental waste you understand that the products may consist of reconditioned equipment that contain used components, some of which have been reworked. The used components all live up to GN's high

quality standards and comply with GN's product performance and reliability specifications. You understand that replaced parts or components will become the property of GN.

LIMITATIONS OF WARRANTY

The Warranty applies only to products purchased for use, not for resale. Specifically exempt from warranty are limited-life consumable components subject to normal wear and tear, such as microphone windscreens, ear cushions, modular plugs, ear tips, ear hooks, decorative finishes, batteries, and other accessories including all foam products. The Warranty is invalid if the factory-applied serial number, date code label, and/or product label has been altered or removed from the products.

The Warranty applies only to defective factory material and factory workmanship, and does not cover defects or damages caused by or attributable to (a) improper storage or faulty installation and operation; misuse or abuse; accident or neglect, such as physical damage (cracks, scratches, etc.) to the surface of the products, (b) alterations, repair, or maintenance attempted by anyone other than GN or a GN dealer which is authorized to do GN warranty work, (c) contact with any liquid, (d) use of the products or accessories for commercial purposes or subjecting the products, or accessories, to improper or abnormal usage or conditions, or (e) other acts which are not the fault of GN. Furthermore, the Warranty does not cover defects or damages that result from the use of non-GN branded or certified products, accessories, or other peripheral equipment.

The Warranty does not apply to products which have not been charged for six (6) months. If the battery in a product has not been charged for a period of six (6) months, the product might not function or regain its full potential and long-term performance. GN does not offer any warranty for such performance.

It is the owner's responsibility to operate and care for the products in accordance with the instructions and specifications supplied with the products. Repairs resulting from failure to do so are not covered by the Warranty.

REPAIRS OR REPLACEMENTS AS PROVIDED UNDER THIS WARRANTY ARE THE EXCLUSIVE REMEDY OF THE END-USER. NEITHER GN NOR YOUR RETAIL DEALER OR SELLING DISTRIBUTOR SHALL BE LIABLE FOR ANY INCIDENTAL OR CONSEQUENTIAL DAMAGES FOR BREACH OF ANY EXPRESS OR IMPLIED WARRANTY ON THE PRODUCTS INCLUDING WITHOUT LIMITATION COMMERCIAL LOSS, INCIDENTAL EXPENSES, LOSS OF TIME,

OR INCONVENIENCE. EXCEPT TO THE EXTENT PROHIBITED BY LAW, THE WARRANTY IS EXCLUSIVE AND IN LIEU OF ALL OTHER EXPRESS AND IMPLIED WARRANTIES WHATSOEVER, INCLUDING BUT NOT LIMITED TO THE WARRANTY OF MERCHANTABILITY AND FITNESS FOR A PRACTICAL PURPOSE.

NOTE!

The Warranty gives you specific legal rights. You may also have other rights which vary from state to state. Some jurisdictions do not allow the exclusion or limitation of incidental or consequential damages or implied warranties, so the above exclusions may not apply to you. The Warranty does not affect your statutory legal rights under your applicable national or local laws.

Cautionary Notes to Computer Users:

When using any product with a computer, care should be taken in dry or low humidity environments to protect the user from electrostatic discharge from the monitor (CRT). Computer monitors can induce a substantial electrostatic charge when turned on or off, or when there is a power failure, and the resulting electrostatic discharge can be passed through the product to ground. A user in close proximity to or touching the computer may feel a common "shock" sensation, similar to touching a door knob after walking across a carpet, causing no harm to the user. This discharge is entirely due to the computer monitor, the product is merely the shortest path to ground. To minimize the possibility of electrostatic discharge through the product, you can:

- Use a grounded screen in front of the monitor.
- Use static dissipative wrist straps.
- Increase the relative humidity in the room to 60% or more.
- Install static dissipative carpets or floor covering.
- Remove the product before turning the computer on or off.

GN Netcom, Inc. products meet OSHA, FCC and CSA standards.

USA DECLARATION

USA FCC part 15

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules.

These limits are designed to provide reasonable protection against harmful interference in a residential installation.

The device may not be connected directly to the telephone

network, but must connect to a FCC registered telephone.

WARRANTY

Limited One (1) -year Warranty:

GN Netcom, Inc. warrants this product to be free from defects in materials and workmanship (subject to the terms set forth below) for a period of one (1) year from the date of purchase ("Warranty Period").
