GN9120

SERIES

Freedom and Productivity

The Jabra GN9120 is a wireless headset that works the way today's in-office professionals work. Offering an unbeatable range of personal mobility in the office, a robust talk time and a host of innovative features and benefits, the revolutionary GN9120 will give complete wireless freedom in the office.

The unique four-way conference call feature lets you hold fully mobile, secure conference calls not restricted to meeting rooms and without interruptions by the distortion of speakerphones. And, the Jabra GN9120 comes with a choice of three different boom arms, equipped with different microphones to suit quieter or louder office environments.

Features

- Up to 300 feet of wireless freedom
- Up to 8 hours of talk time
- Multi-unit conferencing capability
- Interchangeable earhook and headband wearing style for all-day comfort
- Multi-layered security system for secure conversations

Accessories

Jabra GN1000 Remote Handset Lifter

- Maximize your communications convenience
- Answer and end calls away from your desk
- Easy to install and use
- Compatible with all our wireless office headset systems

SERIES

Feature	Benefit
Range of up to 300 feet. ^{1,2}	The Jabra GN9120's unrivalled range gives you up to 300 feet of mobility away from your base unit!
Up to 8 hours of talk time	With talk time of up to 8 hours, the Jabra GN9120 won't let you down during even the longest of days.
Conference calling	The multi-unit conferencing features let up to four headsets join a call. Now you can hold a fully mobile conference from virtually anywhere in the office!
Mute function	If you need to consult with others while on the phone, the mute function lets you quickly pause the transmission of your voice.
Volume control	<p>Receive adjustment: You're in full control of your caller's voice volume. Simply press the volume up/down buttons to adjust it.</p> <p>Transmit setting: Naturally, you can even adjust the volume of your own transmitted voice to suit the person on the other end.</p>
PeakStop™ Protection	The Jabra GN9120 DUO guards against sudden loud noise spikes from the telephone network – max 118 dB SPL (RMS).
2.4 GHz and 64-bit encryption	You always get distortion-free, fully secure calling.
Warranty	
1 year warranty	Rest assured with Jabra no fine print warranty.
