Product Description

The 600-sheet OfficeAssist™ Auto Feed Shredder A6000 Anti-Jam Cross Cut speeds and secures high-volume shredding, helping to make larger offices more productive. Features include patented auto feed with 4-digit PIN lock; P-4 cross-cut shredding with Intelligent™ Jam Clearance and Intelligent™ SelfOil™; a 21-gallon/850-sheet bin with full indicator; 120-minute continuous run time; and Intelligent™ Power Save.

Features

- Patented auto feed with 4-digit PIN lock lets you load up to 600 sheets of paper, lock it until shredding is complete, and walk away. Shreds staples, paper clips, credit cards, CDs, junk mail, and glossy paper.
- P-4 security rated cross-cut shredding turns paper into 5/32" X 1 37/64" pieces. Ideal for business confidential documents.
- Quiet motor with self-cleaning Intelligent™ Jam Clearance reverses the blades to clear paper from the cutter when too much paper is inserted and upon job completion. Helps avoid time-consuming and frustrating paper jams.
- Runs continuously for 120 minutes without overheating, for large jobs.
- A 21-gallon/850-sheet bin let's you shred more, empty less. An indicator lets you know when the bin is full.
- Intelligent™ SelfOil™ automatically keeps the cutter lubricated for smooth operation.
- Automatically switches to Intelligent™ Power Save when not in use (but still turned on) to save energy.
