

## SD4800P USB-C 10Gbps Scalable Video Docking Station w/ 135W adapter - DP/DP/HDMI - Windows

Scale productivity with a single cable

38249

### Product Description

Let the leader in professional desktop performance make the most of your laptop's USB-C connectivity with the ultimate driverless docking solution. Developed with scalability in mind, the SD4800P Universal USB-C Scalable Video Dock with Power Delivery provides users with dual video support today and triple 1080p video support for next gen DisplayPort 1.4 devices. A single USB-C cable connection not only powers your device, it transfers video, audio and data at up to 10Gbps and connects up to three external displays – providing the ultimate plug and play docking experience with no driver installation required. It is an ideal docking solution for graphic and web designers, animators, engineers, financial analysts and other environments supporting visual multitasking.

### Features

- Best for: USB-C laptops and Ultrabooks that support power delivery and monitors that support up to 1080P
- Connection technology: USB-C alt mode
