

Plantronics Explorer™ 320 Bluetooth® Headset

Affordable, easy-to-use wireless freedom for all Bluetooth phones

The Plantronics Explorer 320 Bluetooth headset is not only affordable and simple to use, but it's also convenient—all your controls are incorporated into just one button. Whether you're answering or ending a call, adjusting call volume, redialing the last number, or using voice-activated dialing¹, you can do it all with a single touch of a single button. It's the easy-to-use Bluetooth headset that fits your style.

- Convenient—access all controls with one easy-to-use button
- All-day wearing comfort in a sleek, lightweight design—only 2/3 of an ounce
- Fits either ear
- Simple to use—easy to put on and take off, easy to pair, easy to answer calls
- Longest talk time without recharging—up to 8 hours
- Clear communication with unique speaker design
- Works with all Bluetooth phones
- Freedom to roam up to 33 feet from your Bluetooth device

Sound innovation for missions to the moon. And for everyday life on this planet, too.

In 1969, a Plantronics headset carried the historic first words from the moon: "That's one small step for man, one giant leap for mankind." Today, we're the headset of choice in mission-critical applications such as air traffic control and 911 dispatch. This history of proven sound innovation is the basis for every product we build—whether it's for work, for home or on the go.
