

THE TINY, EXECUTIVE HANDS-FREE TELEPHONE HEADSET DESIGNED FOR BUSINESS PROFESSIONALS

- **Easy to Use.** The FreeHand™ headset is designed exclusively for business professionals. It's the headset replacement that's easy to use.
- **Productivity Boost.** The FreeHand™ lets you work the way you want—with both hands—to give you a proven 43% productivity increase (based on a study by H.B. Maynard & Company, Inc.).
- **Superior Sound Quality.** FreeHand™ is guaranteed to match the audio fidelity of your current telephone.
- **Complete Privacy.** Built-in noise-cancelling microphone feature eliminates transmission of busy office background noise.

Finally, busy professionals can get the enhanced convenience and productivity of hands-free telephone conversations without the annoying echo and lack of privacy of speakerphones. With the FreeHand™ you can talk on the phone and have both hands free to work on your com-

puter, take notes, and work with other information in your office.

The sophisticated noise-cancelling microphone of FreeHand™ allows you to sound crisp and clear even when working from a busy, noisy office.

FREEHAND™ HEADSET

From the world's premier provider of reliable lightweight communication headsets.

Shown actual size

H132N-M06: FREEHAND™ HEADSET
