

Plantronics Voyager™ 815 Bluetooth® Headset

High Performance Audio for Every Conversation

Block out distractions and focus on the business at hand—whether you're in the car, on the train, or at the airport. Sound-isolating ear buds seal out external noise so you can comfortably hear conversations at low volumes regardless of your surroundings. Plantronics AudioIQ® two-way noise reduction technology digitally enhances sound quality on both sides of the call. A discreet sliding boom brings your voice closer to the microphone and offers a convenient way to answer/end calls. One-touch convenience, superb sound, lightweight comfort—the Plantronics Voyager 815 headset delivers digital sound performance that means business.

Lightweight Comfort—Heavyweight Performance

Optimized Call Clarity

Plantronics AudioIQ two-way noise reduction technology provides comfortable listening—even in noisy environments.

Seal Out Noise. Seal In Sound.™

Innovative, custom fit ear buds seal out external noise so you can focus on your conversation—not those around you.

Stay Connected

Multipoint technology lets you stay connected with two *Bluetooth* mobile phones.

Easy Bluetooth Pairing

Plantronics QuickPair™ technology lets you easily pair the headset with your *Bluetooth* mobile phone.

Get Closer—Get Clearer

A sliding boom provides a convenient way to answer and end calls and brings your voice closer to the microphone for improved clarity.

Fits as Good as It Looks

Get a personalized fit with 3 ear bud sizes and an optional ear loops to provide comfort and stability.

Mute Background Noise

Microphone mute for multi-tasking and conference calls.

Hours of Active Use

Up to 7 hours of talk time and 160 hours standby time from a single battery charge. On demand battery indicator lets you check your battery level anytime, anywhere.
