

BW 900 Business Class wireless office headset

- ▶ Wireless office headset - lets you roam around up to 100 meter while still being on the phone
- ▶ Featuring Adaptive Intelligence which provides optimum speech intelligibility in every situation
- ▶ Connects to your office phone and every voice-enabled Bluetooth device (mobile phone, PDA, PC)
- ▶ With the touch of a button you switch and "toggle" between the desk phone and the mobile phone

BW 900 is a Premium wireless headset from Sennheiser Communications featuring Adaptive Intelligence, which provides optimum speech intelligibility in any situation, maximum all-day listening comfort, automatic adaptation to the sound environment and individually preferred settings.

- ▶ Based on wireless Bluetooth Class 1 supporting the 1.2 standard - provides long-range operation and maximum compatibility with all voice-enabled Bluetooth devices
- ▶ Roaming range of up to 100 meters from base station
- ▶ Easy toggling between office phone and mobile phone
- ▶ Infinite talk time with optional extra battery including "hot swap" function
- ▶ Stylish and well-balanced over-the-ear wearing style
- ▶ Lightweight 26 gram headset with perfect individual fit
- ▶ 2 years warranty
- ▶ Optional handset lifter allows answering and terminating calls away from desk
