

SH310 Ultra-light and ultra-easy

- ▶ Ideal for front office and counter environments or at home, since it can be **put on and taken off quickly** with only one hand
- ▶ Features a **discreet and compact** microphone boom
- ▶ The special **acoustic foam ear pad** optimizes sound penetration around the center of the cushion and into the ear canal while minimizing leakage

ActiveGard™
An active guard for your hearing

The SH 310 lightweight ear clip headset is ideal for people who need to move around with their hands free. It's the stylish, high-quality solution for users who value comfort and great speech quality in any telephony situation.

- ▶ **ActiveGard™** safeguards the user from the effects of an acoustic burst
- ▶ **300° adjustable microphone boom** allows the mic to be positioned exactly for optimal speech clarity. The Teflon®* washer support increases positioning accuracy, stability and ensures optimal durability
- ▶ It's easy to get accustomed to since sound is received through one ear, just like a normal telephone
- ▶ Sound remains superb whether using **leatherette** or **acoustical foam ear pad**
